Teaching Experience

1993-94

Bank Street College of Education

New York, New York

Student Teacher. I spent 2 months in each of the 3 sites, as follows:

Bank Street School for Children

Social Studies. Grade 7-8. Implemented Mock Congress using historical sources and small group decision-making. Developed and conducted literature discussions. Designed culminating writing assignment emphasizing.

Math /Science, Grade 5-6. Helped develop geometry lessons featuring hands-on and small group tasks to reveal propositions and solve problems. Set up field trip to zoo with pre and post lessons relating to exhibit on insect life.

Art Volunteer. Supervise art projects in Extended Day Program. (Ages 5-9)

Intermediate School 54, District 3

Social Studies. Grade 7-8. Developed lessons for immigration unit focusing on illegal immigration and emphasizing multi-cultural perspectives. Organized group projects and presentations. Introduces peer editing/pairing strategy.

The Berkeley Carroll School, Brooklyn, New York

Language Arts. Grades 6-8. Implemented Mock Congress. Developed and led literature discussions. Designed culminating writing assignment.

1991-92

Samuel Clemens Elementary School

Melrose, California

Teacher, Grade 5. Emphasized whole language and project-centered learning for Spanish language-dominant students. Language arts activities included: illustrated student anthology, desk-top publishing, oratory contest, career awareness through guest speakers from professional, business and media. Organized Science Fair and Mathathon achieving district recognition. Initiated recycling with student volunteers. (Teach for America.)
